### Repeat Class Visits

The Vancouver Art Gallery believes that children's learning is enhanced by repeated engagements. We offer special rates to encourage this: if the same class is returning for a second or third visit in the same a school year, fees are reduced.

During your online booking process, please declare if this is your first, second or third visit, or the discount may not be applied. These rates apply ONLY to the same class of students partaking in a Guided Tour or a Guided Tour with Workshop during a given school year.
